3 Winbet
You can bet on the winner of a race. To place a tip, just click on the odd you have chosen.

1 Forecast Bet
 You can bet on the winner and the runner-up of a race. The odd will be shown at the point of intersection of the winner (1st - displayed vertical) and the runner-up (2nd - displayed horizontal). To place a tip, just click on the odd you have chosen.

2 Erase bets
 The last bet can be erased using the „CLEAR LAST“ button. The „CLEAR ALL“ button erases all bets played. This is only possible with draws which have not yet begun!

3 Bets played
 The bets played are displayed on the game panel and marked with a chip.

4 Result
 When the game is finished, the winner and second place are marked with a golden trophy.
