3

Winbet

You can bet on the winner of a race. To place a tip, just click on the odd you have chosen.

1 **Forecast Bet**
 You can bet on the winner and the runner-up of a race. The odd will be shown at the point of intersection of the winner (1st - displayed vertical) and the runner-up (2nd - displayed horizontal). To place a tip, just click on the odd you have chosen.

2 **Erase bets**
 The last bet can be erased using the „CLEAR LAST“ button. The „CLEAR ALL“ button erases all bets played. This is only possible with draws which have not yet begun!

3 **Bets played**
 The bets played are displayed on the game panel and marked with a chip.

4 **Result**
 When the game is finished, the winner and second place are marked with a golden sign.
