

SPINNING NUMBERS

1

Select round

First, select the round you want. Simply press on the relevant field as required. The race start time is displayed at the bottom.

2

Select Jeton

Now you must select the wished betting stake for each bet.

3

Place bet

Press on the relevant number to place a bet with stake selected. A play jeton is then displayed on the number featuring the relevant sum of money.

4

Erase bets

The last bet can be erased using the „CLEAR LAST“ button. The „CLEAR ALL“ button erases all bets played. This is only possible with draws which have not yet begun!

5

Repeat last bets

With the „REPEAT LAST“ button, the last bets played can be repeated by clicking on this button.

1

Select round

First, select the round you want. Simply press on the relevant field as required. The race start time is displayed at the bottom.

2

Select Chip

Now you must select the wished betting stake for each bet.

3

Select Neighbours

Before deciding on a number, select the required Neighbours. Select for example +2 and the 2 numbers alongside the selected number will be included in the bet.

4

Place bet

Press on the relevant number to place a bet with the selected stake. A jeton featuring the relevant sum of money is then placed on the number. If you have selected 2 or more neighbours, a jeton will also be placed on the adjacent numbers.

5

Game systems

Of course you can also play on the game systems SERIE 5/8, ORPHELINS, SERIE 0/2/3 or 0 SPIEL. In this case, simply place a jeton on the field for the relevant game system.

1

Select round

First, select the round you want. Simply press on the relevant field as required. The race start time is displayed at the bottom.

2

Winning number

The winning number is marked with a stamp!

3

Bets played

The bets played are displayed on the game panel and marked with a jeton. If there is also a stamp on a played number, you have won in this round.

1 STAKE
The betting stake for the current round is displayed here.

2 WIN
Wins of the current round are displayed here.

3 Race number and time display
The current race number and next race are displayed here. The time until the start of the next race is also displayed.

4 Last games
The latest results are displayed here. The corresponding race numbers are displayed above the results.

5 Credit
The credit is displayed here.

Quit or terminate the game

If you quit the game by pressing the Logout button, and you still have open bets, an info box will be opened. There you can confirm to cancel the bets and quit the game.

If you abort the game in a different way, open bets will not be cancelled!

Bets of already started rounds can not be cancelled any more.
