

SPINNING NUMBERS

1

Select round

Select first the next round. Simply press on the field at top left. There you will see the odds for the next game round.

2

Select Jeton

Please select the betting stake you want to use.

3

Place bet

Press on the relevant number to place a bet with stake selected. A play jeton is then displayed on the number featuring the relevant sum of money.

4

Erase bets

The last bet can be erased using the „CLEAR LAST“ button. The „CLEAR ALL“ button erases all bets played. This is only possible with draws which have not yet begun!

5

Repeat last bets

With the „REPEAT LAST“ button, the last bets played can be repeated by clicking on this button.

6

Change View

By pressing Button „Change View“ you can change between the two different game panels

1

Select round

First you have to select the next round. Simply press on the field at top left. Here you also can see the number of the next game.

2

Select Jeton

Now you must select the wished betting stake for each bet.

3

Select Neighbours

Before deciding on a number, select the required Neighbours. Select for example +2 and the 2 numbers alongside the selected number will be included in the bet.

4

Place bet

Press on the relevant number to place a bet with stake selected. A play jeton is then displayed on the number featuring the relevant sum of money.

5

Game systems

Of course you can also play on the game systems SERIE 5/8, ORPHELINEs, SERIE 0/2/3 or 0 SPIEL. In this case, simply place a jeton on the field for the relevant game system.

1

Last games

In the history the current running and the past rounds are displayed. You can see the round number, the winning number, and if there has been a win.

2

Select round

Press on a game round in the history to select that round.

3

Winning Number

The winning number is twinkling on the game panel.

4

Bets played

The bets played are displayed on the game panel and marked with a jeton. If you have won, it will be displayed as golden jeton. Congratulations!

1

The time until the start of the next game is displayed here.

4

SHOW VIDEO

Press this button to open and close the video screen.

5

Credit

The credit is displayed here.

Quit or terminate the game

If you quit the game by pressing the Logout button, and you still have open bets, an info box will be opened. There you can confirm to cancel the bets and quit the game.

If you abort the game in a different way, open bets will not be cancelled!

Bets of already started rounds can not be cancelled any more.
